## About This Game

“**Gum Guy**” game is a big story about a little dude. He loves his huge gum family and lives a routine predictable life in the drains. But somewhere inside he always felt like an adventurer and wished for more. The world outside seemed an attractive mystery for him. But you should be careful with your wishes, because they often come true. This is what happened to Gum Guy.

One day he got lost and turned out to face the cruel scary city all alone. The little hero pulled himself together and started a voyage back home.

But where should he go?

Which way to choose?

You are the only one who may guide him through this world full of tricky traps like sharp saws, fast drills, burning lasers, dangerous creatures and so on.

Meanwhile, the gum family noticed the missing member. They sent a rescue team that will face not less challenging obstructions while searching for their friend.

Will our heroes manage to come back home?

Will the rescue team find their friend safe and sound?

No matter what, Gum Guy will continue his way back home to make everyone believe that life is not only the drains.

Get ready to:

- 
- think hard, run fast and jump far;
  - overcome more than 60 levels of different speed and length;
  - find some unexpected Easter Eggs through the story;
